## Citizen Safety Audit

Please complete the Audit of Pershing Blvd. and return it to the Metropolitan Planning Organization, located at 2101 O'Neil Avenue, Suite 205. You can also email it to [schakraborty@cheyennemopo.org](mailto:schakraborty@cheyennemopo.org).

SIDEWALKS	YES	NO	COMMENTS
What is the general sidewalk condition (in terms of surface and obstructions)?			
Do the sidewalks accommodate persons with disabilities (especially at driveways and crosswalks)?			
Do driveways create frequent conflicts with vehicle traffic?			
Are the sidewalks wide enough to accommodate multiple users, i.e. pedestrians, bicyclists, wheelchairs, etc.?			
Are the sidewalks maintained during the winter months?			

PEDESTRIAN FACILITIES & ACCESSIBILITY	YES	NO	COMMENTS
Does the pedestrian crossing at Morrie/Airport Parkway & Pershing meet the needs of the pedestrian, e.g., countdown pedestrian signals walk time?			
Are there adequate crosswalk locations?			
Is crossing the street at unsignalized intersections difficult in terms of gaps in traffic and/or traffic speeds?			
Are there pedestrian ramps and are they ADA accessible?			
Are there concerns regarding drainage at the crossings?
