

1 E. No entity currently exists in Boulder County that will accept mixed trash and

3 mixed trash and recyclable materials is not an environmentally effective or efficient method of  
4 managing trash;

5 F. The Boulder County Recycling Center is a publicly owned facility that can bolster  
6 the City's goals of increasing both the amount of recyclables being processed and the efficiency  
7 of implementing the City's Zero Waste Strategic and Action plans;

8 G. Therefore, the purpose of this Ordinance is to ensure every person within the City  
9 of Boulder is able to separate recyclables and compostables from trash and that the materials  
10 designated by the City Manager to be recyclable and compostable are recycled and composted  
11 properly.
