Main Street is a proven way to organize our downtown revitalization efforts. Downtown Hagerstown was awarded the coveted Main Street designation by the State of Maryland, and it is time to launch the program into the community. This launch event will be hosted by Mayor Dave Gysberts and facilitated by Eliot Pfanstiehl, the Executive Director of Strathmore Hall in Bethesda. Learn about the five different Main Street Hagerstown workgroups and meet the leadership. Then decide where you would like to get involved!
