

Programs – ENFORCEMENT

Use citations, inspections, and safety training programs to enforce traffic safety laws throughout the City.

Speed Limit Enforcement. Execute speed limit enforcement checks 48 hours prior to calculating prevailing speeds in Engineering and Traffic Surveys used for adjusting speed limits.

Enforcement Stings. Target enforcement efforts against unsafe behavior by roadway users, especially in high conflict areas. Publicize the stings to encourage healthy interaction among all roadway users.

Sting Operations. Target unsafe bicycle and motorist behavior, especially on Backbone and Neighborhood Networks and in school zones. *Target specific 'hot-zones' of unsafe bicycle and motorist behavior for sting operations.*

Commercial Loading Zones. Target enforcement efforts against parking by vehicles not in the act of loading/unloading in Commercial Loading Zones.

Truck Inspection Areas. Develop a Truck Inspection Program in coordination with Highway Patrol and Port of Los Angeles.

Local Truck Use. Target enforcement efforts against truck use on local streets where cut-through traffic has been expressly forbidden.

LAPD Bicycle Peace Officer Standards and Training Program. Train officers in bicyclists' rights and responsibilities in bicycle/vehicle collision evaluation.

Bicycle Lane Enforcement Program. Train LAPD Traffic Officers and Bureau of Sanitation drivers to identify bicycle lane parking violations and issue citations.

Bicycle Path Officer Deployment Program. LAPD will train and certify officers to conduct patrols of bicycle paths on bicycles.
