Bus stops recommended for elimination along this route have transfers/connections with Route No. 18 and 53. Although adjacent stops to those recommended for elimination provide transfer/connection opportunities within the spacing guidelines, a cursory analysis of the other bus routes should be conducted to ensure suitability prior to implementation of the optimization plan.

Bus stops recommended for elimination along this route have transfers/connections with Route No. 18 and 53. Although adjacent stops to those recommended for elimination provide transfer/connection opportunities within the spacing guidelines, a cursory analysis of the other bus routes should be conducted to ensure suitability prior to implementation of the optimization plan.

MTA will add the bus stop at Reisterstown Rd at Old Millford Mill (included in Route No. 53) in the southbound direction to this route. An information sheet for this stop is included in this section.
