## Service Recommendations Tied to BNIP Goals \& Objectives

Goals and objectives for BNIP were developed early on in the planning process in order to guide service recommendations and ensure the best possible outcome for MTA riders. Overall, five goals were developed (see list of goals below), and specific objectives and strategies identified for each These goals, objectives and strategies were then incorporated into the recommendations for Lines $11,20,26,31$ and 36 .

| Goals |  | Objectives | Strategies | Lines |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  |  | 11 |  | 20 | 26 | 31 | 36 |
| 1 | Improve Service Quality |  | Reduce overcrowding | Increase frequencies and span of service | X | X | X |  |  |
|  |  | Improve on-time performance | Adjust schedules to more accurately reflect travel times | x | X | X | x | x |
|  |  |  | Shorten overall line lengths | X | X |  |  |  |
|  |  |  | Split lines in the downtown area or at major transfer centers | x | x | x | x |  |
|  |  | Decrease passenger trip times | Improve route directness | x |  | x | x |  |
|  |  |  | Eliminate or reduce service on costly deviations with low ridership | X |  |  |  | X |
| 2 | Maximize Transit Access and Connectivity | Increase percentage of population within walking distance of transit | Add new lines or extend lines to densely populated areas |  |  |  | X |  |
|  |  | Increase the number of jobs accessible by transit | Add new lines or extend existing lines to areas with high employment density or growing employment |  |  | X | X |  |
| 3 | Increase Network Efficiency and Effectiveness | Improve connections between buses and modes | Add new transfer points outside of the downtown area | x | x |  | x |  |
|  |  | Increase passengers per hour | Concentrate service in high ridership areas | X | X | X | X | x |
|  |  | Reduce cost per passenger | Concentrate service in high ridership areas | x | x | x | x | x |
| 4 | Align the Network with Existing and Projected Land Use and Trip Patterns | Improve services to major regional job centers | Increase service on existing lines to new and growing job centers |  |  | x | x |  |
|  |  |  | Add new lines to new and growing job centers |  |  | x | x |  |
| 5 | Involve Riders, Employees, Communities and Officials in the Process |  | Conduct pop-up events, public workshops and focus groups with all stakeholders when making line changes | X | X | X | X | X |
