A

Easy-to-Install Clamps

Die cast aluminum clamps for precision fit and 360° compression. At Playworld Systems, we build them 10 times stronger than required.

B

PVC-Free Eco-Armor

Durable, thermoplastic coating for extra protection on high traffic areas is FREE from all harmful phthalates, lead, cadmium and dioxins.

C

Superior Rotomolded Plastic

We use compounded resins for reliable color consistency, UV stability and graffiti resistance. Greater impact resistance than dry-blended resins.
